

NEVER WANT TO LOSE ALL OF THIS

Lyrics by Bob Schmidt

We have all shared something
That's rare and hard to find
Unity with diversity
And hearts of the same mind
I will keep forever
The many things I've learned
The times I felt connected
The memories returned

New friends I have made, and old friends I will miss
For I never want to lose all of this

Thank you for your friendship
I'll miss it when we part
Thank you for the laughter
You brought into my heart
Thank you for your wisdom
Thank you for your time
Sharing all your thoughts
And listening to mine

New friends I have made, and old friends I will miss
For I never want to lose all of this

I'll remember this time, as one great memory
If you get discouraged, you can count on me
We have all shared something
That's rare and hard to find
Unity with diversity
And hearts of the same mind

New friends I have made, and old friends I will miss
For I never want to lose all of this
